## EXPERIENCE

**Commute Seattle, Seattle WA** — Outreach Coordinator  
JUNE 2017 - PRESENT

As Outreach Coordinator at Commute Seattle I assist large employers reach the goals of their Transportation Master Plan. I quantify travel patterns in conjunction with evaluating employee preferences and commuting constraints. The results of this process are communicated with each client for the purpose of determining new transportation policy. Other components of the work involve facilitation of relationship building, organizing tabling events, and designing graphic tools for the client's use.

## EDUCATION

**University of Washington, Seattle** — Bachelor of Arts  
SEPTEMBER 2016 - JUNE 2018

I have a Bachelor of Arts in Community, Environment & Planning. The degree can be seen as an undergrad in urban planning, with a focus on community based planning.

**Seattle Central College, Seattle** — Associate of Arts  
APRIL 2014 - JUNE 2016

Seattle Central College is a progressive community college in the heart of Seattle.
